Ricky Clark : Quilts of the Ohio Western Reserve (Ohio Quilt Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quilts of the Ohio Western Reserve (Ohio Quilt Series):

2 of 2 people found the following review helpful. Very Pleased! By JM If you are interested in Quilt History, then this book should be on your bookshelf. It speaks to a specific area in Ohio and gives you some great insight to quilt styles found in that area. 0 of 0 people found the following review helpful. Five Stars By MINNIE 2001 good 0 of 0 people found the following review helpful. great book By Cheryl Proctor I have several of the Ohio quilt books. They are all very interesting. I enjoy the stories about the lives of people in the past.

Quilts of Ohio's Western Reserve includes early quilts brought from Connecticut to the Western Reserve in northeastern Ohio and contemporary quilts, including one by an Old Order Amish woman and a quilt inspired by Cleveland's Rock Roll Hall of Fame. Quilt makers in Oberlin, including fifth-generation descendants of abolitionists and slaves, produced the Underground Railroad Quilt in 1987. Ricky Clark, one of Ohio's foremost quilt historians, has assembled exquisite examples of calamanco, T quilts, and borderless pieced quilts to show the history of Connecticut aesthetics and history on the making of early quilts in this region. Rich in color, detail, and inventiveness, and often beautifully designed, the quilts of this region commemorate community history, from town fundraisers of the

1890s to a quilt designed by a Lake Erie shipbuilder. Sections of the book include quilts made during the Civil War and for postwar veteran's organizations as well as military and presidential quilts that relate to the history of the Western Reserve. Quilt design in Ohio has been celebrated in biennial exhibits, round-robin quilts, and most recently proudly painted on barns in rural Ohio. Quilts of Ohio's Western Reserve launches the Ohio Quilt Series and is a tribute to the quilts and quilters from the past and the present who have made the Western Reserve their home. A welcome addition to Ohio's cultural legacy, this book will interest the wider world of quilt and textile enthusiasts and historians. The Ohio Quilt Series books are affordably priced color volumes that explore Ohio's quilting history. Focusing on specific aspects of Ohio's quilting, the series provides an enduring record of one of Ohio's most popular crafts.

Clark has rightly earned the moniker of being one of America's foremost quilt historians. *Ohioana Quarterly*
