**Stephen Elliott : Random House Webster's Crossword Puzzle Dictionary, 4th Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Random House Webster's Crossword Puzzle Dictionary, 4th Edition:

It is like a small telephone book! So it's just too cumbersome to use like the one I had before. I ended up buying a newer copy of the 1995 version which is what I had before. It's the size of a regular paperback novel. So, CHECK THE DIMENSIONS BEFORE YOU BUY, I'm sure it will work fine for others but this one is definitely not an easy handheld book. 0 of 0 people found the following review helpful.
