From Random House Puzzles Games : Random House Year Round Crossword Omnibus (Newsday) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Random House Year Round Crossword Omnibus (Newsday):

0 of 0 people found the following review helpful. It was suppose to be in very good condition. By GJI it was suppose to be in very good condition... however, many of the puzzles had the puzzle partly done. My wife got disgusted and threw it out. I'm sorry she did that, because I would have sent it back for a refund. 1 of 1 people found the following

review helpful. Hurt By Book FormatBy John Henry StoneThis is a fairly prototypical book of collected puzzles, and as such, is fine. There is certainly nothing wrong with the work Stanley Newman has pulled together here. What is not fine, though, is the inexplicable use of mass-bound pages in this omnibus product, making it virtually impossible for the user to easily fold back the book pages to the puzzle s/he is on, or to hold the book open to the puzzle page s/he is on if s/he wants to do a puzzle lying down, for example. All RH puzzle books should use the spiral-bound format of its other puzzle books that include folded leafs on front and back covers wherein the user can mark the page one is working on, as well as the solutions page for that puzzle (not that anyone ever sneaks a peak, of course!). Unless you do your crosswords sitting down with the book on a table or other hard surface, and you don't mind having to hold open pages while you try to work the puzzles, I don't recommend this book. I do mind, and that is why I do not recommend this book. Random House Year Round Crossword Omnibus (Newsday)0 of 0 people found the following review helpful. A Fat Crossword BookBy Pen In HandThe year round compilation makes for a thick book and therefore not as easy to stick in my purse, or to even open or tear a page from. I find I prefer the smaller versions.

Four books in one! Winter, spring, summer, or fall, this omnibus of four puzzle books--Fun in the Sun, Snow Days, Spring Fling, and Summer Trip--offers a welcome break from the ordinary, all year round. This comprehensive volume features: 400 fabulous crosswords Not too hard, but not too easy, either Stanley Newman's puzzle expertise

About the AuthorStanley Newman edits Newsday's nationally-syndicated crosswords and has sold over one million books on, of, and about crossword puzzles. He runs tournaments, hosts cruises, and lectures at the Smithsonian about both crossword puzzles and trivia.
