John Mitchell : Rapala: Legendary Fishing Lures before purchasing it in order to gage whether or not it would be worth my time, and all praised Rapala: Legendary Fishing Lures:

Rapala - the very name evokes quiet mornings on a mist-shrouded lake, family expeditions in a well-worn rowboat, and - best of all- the thrilling moment when a fish explodes out of the water. This richly illustrated book tells the story of a remarkable company and the iconic angling products they produce. Rapala lures are now sold in 140 countries and are more world-record fish than any other lure. It is the dominant company in a hugely popular sport enjoyed by 44 million recreation anglers in the U.S. alone - more people than play golf or tennis combined.
