Ratchet and ClankBy debil love this game, but I need the book to play. The book came in great condition and a timely manner!1 of 1 people found the following review helpful. I got what I paid for.By TravisI got what paid for so I really can't complain. The book was a used copy. The important part was the pages were in good condition. So the book served it purpose. And that's the important part to me so I'm happy.
