I went ahead and ordered this online (not from) when it arrived I was so pleasantly surprised! Not being able to see any images I wasn't sure about it. For me and my taste it was perfect! I'm not some purist pop up book enthusiast, just an average person that enjoys pop up books, appreciates art and loves this poem. 0 of 0 people found the following review helpful. Gave this to my best friend for her birthday By PostModernChivalry Gave this to my best friend for her birthday. She loved it! Made my heart burst to see her show it to all her friends. We're in our early 30s by the way, beautifully made pop-up books are for everyone. :) 0 of 0 people found the following review helpful. Five Stars By Lana Shelby Amazing art and fun, too.

Edgar Allan Poe's The Raven is one of the most widely recognized poems in the English language. When it first

appeared in the New York Evening Mirror in 1845, the poem made Poe an overnight sensation. Master paper engineer David Pelham amazes us once again with his pop-up design interpreting this haunting love story.

About the Author Edgar Allan Poe, the 19th-century writer, is known for his gothic and macabre work. David Pelham, a designer and paper engineer, has created numerous bestselling childrens books.
