Logan Knight : Red Dragon's Lair Card Game Rules: The Red Dragon's Lair before purchasing it in order to gauge whether or not it would be worth my time, and all praised Red Dragon's Lair Card Game Rules: The Red Dragon's Lair:

The Red Dragons Lair, the fantasy adventure... Core Card Game RULES... where you become a Magician, Rogue,

Warrior or Paladin on a quest to slay an evil red dragon. You control the actions of a daring adventurer finding the way through a dungeon filled with undead monsters, elementals and treacherous traps. In the mysterious creepy corridors of the dungeon your quest continues against the evil forces that oppose you. Your daring efforts to reach the Red Dragons Lair are where your adventure begins and Your Quest Awaits! The evil Red Dragon lives deep within a dungeon filled with undead monsters and elementals. Your goal is to clear the dungeon of evil and slay the Red Dragon. Together you and the other players join together looting monsters and plundering the dungeon in search of magical items and weapons! This game is a character driven game, which uses both cards and dice to deal with the many obstacles within the dungeon and the Red Dragons Lair. Players choose a character deck at the beginning of the game then equip their special items and weapons. Each character is unique and uses different styles of play. The crafty Rogue hides in the shadows firing arrows from a distance. The Paladin engages the monsters head-on with shield and sword. The Warrior jumps in the fray without regard for himself slaying monsters near and far. And the Magician uses powerful magic to protect the others and destroy monsters! The awesome forces that oppose you can prove to be more than a match and adventurers will die! Mwahahahaha! I have always loved adventuring and battling monsters. Throughout my life I have played many amazing games both video and table top; DD, Dragons Lair, Ultima Online, Gauntlet Legends, WOW, Skyrim, H.A.C.K. , and Zogars Gaze. The Red Dragons Lair is filled with Easter eggs drawn from that nostalgia. It is built around the classic concept of building a character, and then exploring a dungeon with no means of escape until every threat has been vanquished. That is the foundation of The Red Dragons Lair, and each and every encounter will immerse you in that genre. You can customize the dungeon by adding or removing certain cards! This allows you to craft your own dungeon to challenge your friends and adjust for time constraints!
