**Andreas Ley, Ulrich Pohlmann : Regina Relang: The Elegant World Of Regina Relang** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Regina Relang: The Elegant World Of Regina Relang:

2 of 2 people found the following review helpful. Regina Relang By Diana Farthing This book was given as a gift to my daughter who fell in love with one of Regina's photos. When she discovered that it was going to cost megabucks to purchase a copy of the photo, we found a book of the photos on . Produced in black and white, these photos are elegant and romantic and you can spend hours going over them again and again. A perfect 'coffee table' book - just keep the younger children away from it. The book is written in German and English - we hope the English is just a translation of the German. Fantastic! 0 of 0 people found the following review helpful. Four Stars By Martha P. Elegant album of a very good fashion photographer. Particularly helpful the English texts. 0 of 0 people found the following review helpful. Five Stars By 166MM63 Fantastic images throughout. Well worth it!!!

The *Elegant World of Regina Relang* is just that, an enchanting volume of pictures presenting a whirlwind tour through the entrancing world of haute couture that the late German photographer recorded throughout the mid-twentieth century. 160 of the best original images from Relang's estate follow the lady shutterbug's eye as she worked the Paris fashion shows, from her first days at *Vogue* in 1938 through to her rise as one of the leading fashion photographers of the 1950s and 1960s. Her spectacular images of the most forward, fashionable styles were featured twice a year in all of the major German fashion journals, for whom she represented the essence of the catwalk-shooting genre. This handsomely illustrated volume reproduces fine vintage prints from Relang's early reportage career and from the height of her days as a documenter of style, while also providing valuable insight into the historical background of her work. The *Elegant World of Regina Relang* chronicles the changing fashions of Christian Dior, Pierre Cardin and Yves Saint-Laurent, among other arbiters of la mode, while also tracing the transformation of the image of woman through the mid-twentieth century.
