A stunning collection of photographsBy @CrimeQueen2I remembered seeing this book reviewed in The New York Times when I needed a birthday gift for one of those hard-to-suit relatives! The photographs taken from the train are stunning. They capture the real grief felt at RFK's death and bring it home to people (like me) who were too young to take it in.4 of 4 people found the following review helpful. rfk funeral trainBy Mrs. Catherine MackieVery moving collection of coffin's trip across States. Amazed to see how many turned up to pay last respects. Mailer's essay also a tribute to RFK

Snapshot of America at a crucial moment of transition.
