We're both enjoying the questions and also realizing how far we've yet to go in matter of learning. This game, however, makes it a delightful experience and helps prepare her for her journey ahead. 2 of 2 people found the following review helpful. LOVE IT!!!! By craigmomma AWESOME GAME!!! A must-have for nursing students!! Have nurses and medics in the family and we all LOVE this game! Excellent study guide for the nursing student and head-banging refresher for us 'old-timers'! If you have a medical professional in the household-this game is a MUST!!!! 0 of 0 people found the following review helpful. Returned in exchange another and that one was great! Nice way to study for nxclex with classmates By Ashley Ray Received with the answer booklet missing pages and in the wrong order. Returned in exchange another and that one was great! Nice way to study for nxclex with classmates

Looking for an NCLEX exam review alternative that is effective, engaging, and (dare we say) fun? Then look no further than RNtertainment! RNtertainment: The NCLEX Review Game, 2nd Edition is a revolutionary board game that offers a fun and challenging change of pace from standard review options. Perfect for nursing students and practicing nurses looking to sharpen their nursing knowledge, this completely redesigned game offers 800 all new clinical questions and scenarios that cover all the major nursing categories on the latest NCLEX test plan including Health Promotion and Maintenance, Physiological Integrity, Psychosocial Integrity, and Safe and Effective Care Environment. This second edition also features new alternate item formats, test-taking tips and test-taking traps

covering helpful test taking strategies and techniques, and a rationales booklet that provides justification for correct answers. Whether you want to challenge your friends or challenge yourself, effective exam preparation has never been this entertaining! Traditional game board format gives you the flexibility to create a competitive group atmosphere with fellow students/ colleagues, or to review on your own. Clinical questions and scenarios covering all the major nursing categories provide an engaging review alternative to fully prepare you for the NCLEX exam. 800 all new questions are divided evenly among the four major client needs categories found on the NCLEX exam: Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. Completely redesigned game format offers new experiences for fun and engaging learning. Coverage of every Client Need category and level is incorporated into the all new clinical questions and scenarios. Questions are available in various formats including multiple-choice, multiple response, prioritizing, and fill-in-the-blank. Rationales for the correct answers are provided in a separate booklet. Tips and traps offer helpful test taking strategies and techniques to help you succeed on the NCLEX exam.
