His stories are complex and timeless; settings richly detailed and is a master wordsmith. This book is definitely going in my read and re-read stack.0 of 0 people found the following review helpful. Five StarsBy Margaret BellGood sampling of O. Henry's works. Good for occasional reading or from start until finish.1 of 1 people found the following review helpful. A bit different than standard O. HenryBy GamanitI expected this to be like the short story, but it's a bit different. It goes through a mans choices and shows that no matter what he would choose, his destiny would be the same.
