Charles Marowitz, Jan Kott : Roar of the Canon: Kott Marowitz on Shakespeare before purchasing it in order to gage whether or not it would be worth my time, and all praised Roar of the Canon: Kott Marowitz on Shakespeare:

2 of 2 people found the following review helpful. Build Your Library!By Gordon A. GoedeAnything written by Charles Marowitz has ever written should be included in personal library of a theatre professional. Why his writings are not mandatory as texts in courses is beyond me. I review, at least once a year, each of his books just to keep me on

track to doing the best work I can. In every paragraph in every book, there is something of great value to think about, ponder if you will. The man has an amazing mind that never ceases to challenge and illumine. Gordon Goede (gordongoede@aol.com) And you can quote me!0 of 2 people found the following review helpful. I'm very satisfied with the copy. It was according with the description in the add.By ignacio almadaBecause the copy is cheap and in good condition. The price and the quality matched. These are what I looked for.

The acclaimed stage director and theatre critic Charles Marowitz in tandem with Jan Kott, one of the most penetrating and incisive Shakespearean scholars to emerge in the 20th Century, probe the mysteries of some of the more problematic plays in Shakespeare's canon. The innovative director and dazzling classicist bring two complementary viewpoints to bear as they delve into the collected works, illuminating the constantly changing nature and philosophic nuances of the various plays. The book's centerpiece consists of Kott and Marowitz's insights on such plays as Othello, Romeo Juliet, Troilus Cressida and Measure for Measure. They reveal the ideas behind Shakespeare's plays and the process of making them come alive before and audience and present frank, no-holds barred discussions on such subjects as The Shakespeare Industry, The Boundaries of Interpretation, Dramaturgy and Mise-en-scene.

"* Marowitz is cited as "A fearless experimentalist who possesses all the gifts and techniques of a master naturalist. I know no one else like him" -Irving Wardle, former critic of the Times and Independent * "Koff is the best guide I know to theatrical innovators..."-Philip Roth
