This lavish photographic volume presents the magnificent Roberto Bolle, principal dancer of the American Ballet Theatre and guest artist at La Scala and the Royal Ballet, in the most beautiful locations throughout Italy, from St. Marks Square to Agrigento, from the Colosseum to Pompeii. Through the art of dance, Bolle has become one of Italys cultural ambassadors to the world. This book presents the dancer in some of the countrys most iconic locations. Bolles magnetic charisma has helped him bring dance to a wider audience and draw large and enthusiastic crowds to the ballet. A much-courted media star, Bolle has also appeared in numerous fashion and style magazines, as well as advertising campaigns. This handsome volume is Bolles photographic love letter to Italy, featuring the country as a gorgeous backdrop to the dancer, in stunning poses which show his artistic beauty and athletic strength.
