Jumbles are terrific!By cctygerI purchase these Jumble books for my mother to work while she is waiting for appointments or waiting in the car for someone. She loves completing them in the newspaper everyday, but it's nice to have a full book she can take with her on trips, etc. The quality of the product is excellent - no problem bending back pages to work the puzzles; nothing falls apart or out of the binding. If you like scrambled word games, this is the book for you!0 of 0 people found the following review helpful. Five StarsBy Brooklyn PrincipalMy husband loves these puzzles and has a good selection with many themes!

Music-themed puzzles will shake up enthusiasts of the scrambled word game who are ready to rock with this new collection. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging word play and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
