Robert W. "Rocky McCoy" Heyen : Rocky's Little Book of Minecraft Blaze Challenges: (Track 0255) (Hostile Mobs) (Volume 13) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rocky's Little Book of Minecraft Blaze Challenges: (Track 0255) (Hostile Mobs) (Volume 13):

The floating gangs of Blaze are a constant threat to the Minecraft player who spends a lot of time in The Nether. This collection of 28 regular and 6 bonus challenges will coach and confirm the participant's Blaze-busting ability.

From the Author This is a printed facsimile of the Delvers of the Deep (DotD) online service's track of challenges titled "Blaze Buster". It is intended as a hardcopy substitute to my Internet offering, and is neither required nor recommended for active DotD registered members. While the subject of this book is a single Minecraft mob, I also offer sixteen within one edition. You can find it with using the search phrase "Rocky's Big Book" and look for the title "Rocky's Big Book of Minecraft Challenges - Volume 2: Hostile Mobs". From the Back Cover To enjoy this book, you will need: to be a mature Minecraft player, since Rocky's prose tends to be technical a pen or a pencil a personal computer (PC) a legal copy of Mojang's Minecraft for PC, version 1.8 or higher the ability to make a screenshot in Minecraft To enjoy a challenge, you will want to: read the challenge's Prologue for background information consult the Prerequisites section (if presented) to identify required items perform the requested tasks, typically confirmed with a screenshot consider accepting the Bonus Challenge, when offered read the follow-up Tips section to learn additional helpful information record any facts, topics or thoughts in Your Notes To achieve total satisfaction, your Minecraft setup should use: Singleplayer, unless you want to share the fun in Multiplayer a newly created world, but any is acceptable Survival game mode, with Hardcore suitable for a "second run" Normal Difficulty, although Hard is an option, but Peaceful is not no Modifications (Mods) please With Rocky's Big/Little Books, you will never run out of things to do in the enormous playspace that the worlds of Minecraft present. About the Author Robert W. "Rocky McCoy" Heyen is the Founder and Overseer of the Delvers of the Deep (DotD) online challenge service for Minecraft. His books bring the DotD system of online credentialing to those folks that might be a little Internet-shy or possess less-than-stellar computer skills.
