Sungskom Horharin : Royal Thai Tarot before purchasing it in order to gauge whether or not it would be worth my time, and all praised Royal Thai Tarot:

3 of 4 people found the following review helpful. creative, yet exotic deck
By Joel Bjorling
I love this deck. I am attracted to its Southeast Asian influence. The deck has an accompanying book that explains the Thai imagery. When reading, I generally use the cards "as is," but sometimes it is necessary to understand a card's particular symbology to get insights on the reading. If you like Asian-styled decks, this is a good one to use.
