Albie Fiore, Laslo Mero : Rubik's Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Rubik's Puzzles:

The ubiquitous Rubik's cube first appeared in 1980. Since then the puzzle has become the most widely sold puzzle ever. Rubik's Puzzles extends Rubik's brand into full-colour puzzle books and features a range of fiendish visual and special puzzles.

About the AuthorUnder the watchful eye of the great mathematician and puzzler Erno Rubik, the puzzles have been put together by experienced puzzle setters Albie Fiore and Laslo Mero, with a brief of creating a puzzle book 'with relevance to my kind of "spatial" thinking.'
