Gil Rogers : Sally's Puppets Go to the Hospital: A Children's Play before purchasing it in order to gage whether or not it would be worth my time, and all praised Sally's Puppets Go to the Hospital: A Children's Play:

This book is an adaptation for the stage of the children's novel by the same title.

About the Author Gil Rogers worked as a psychology professor, counselor and clinic therapist before turning some of his energies to wood, stained glass and writing. Many of his stories, true or fictional, feature his grandchildren in action. He lives in Lewistown, Pennsylvania and teaches part-time for Penn State.
