**Janice Ross : San Francisco Ballet at Seventy-Five** before purchasing it in order to gage whether or not it would be worth my time, and all praised San Francisco Ballet at Seventy-Five:

Long renowned as one of the world's preeminent ballet companies, San Francisco Ballet marks its seventy-fifth anniversary with a stunningly beautiful retrospective. Replete with intimate portraits of the dancers and behind-the-scenes contributors, this book is the first serious depiction of America's oldest ballet company. Included in this deluxe package is a DVD that provides insight into the company's illustrious history and together with the book, tells the story of how San Francisco Ballet has forged a fresh identity for American dance and is now pioneering a new model of internationalism in the dance world.
