Steven E Tozer, Guy Senese, Paul C Violas : School and Society: Historical and Contemporary Perspectives
before purchasing it in order to gage whether or not it would be worth my time, and all praised School and Society:
Historical and Contemporary Perspectives:

Through the use of a consistent analytic framework, this text shows how and why certain school-society issues first arose in this country and how they have changed over time. Introduced and explained in detail in the first chapter, the texts analytic framework focuses on the political economy, the dominant ideology, and existing educational practices that are prevalent in any given historical era. Readings at the end of each chapter are designed for the student to critique using the same analytic framework that the authors employ in the text. In its examination of the evolution of education in the United States, this book tells an engaging historical story.Instructors and students can now access

their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructors homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here:
