Puzzles are not strategic, it's guessing or looking at the answers. Even the simple ones are not strategic. 0 of 0 people found the following review helpful. Love the puzzles! By Tim Love the puzzles! Wide range of sci-fi themes. Author really loves Star Wars and Futurama. While challenging, they have all been strategic and no guessing involved.

For fans of Sci Fi: this book contains 50 nonograms presenting "Star wars", "Futurama", "Predator" and other, with unique solutions. You will find solutions to all the puzzles at the end of a book.
