I would rate them as slightly more difficult than the Will Shortz Saturday New York Times puzzles. My wife and I can usual do a NYT Saturday puzzle in about 30 minutes. These puzzles often take us twice as long or even more. 0 of 0 people found the following review helpful. Five Stars By Arjay M. good as usual 0 of 0 people found the following review helpful. Beware these 45 super-tough puzzles can burn you! But if you enjoy the heat, and regularly tackle weekend-length crosswords in the top newspapers, then you'll love these brilliantly executed puzzles. They're tricky because of their devilishly clever clues, NOT obscure answers, and each one has a wickedly hard theme. There are even explanations for the most difficult clues in the back!
