At Christmas, it's important to remember that it's better to give gifts than to receive them. But what's better than that, is to be the best gift-giver of them all. Be the first to give away everything you have to win the round. Some gifts trump others but good presents are rare, and a big stack of gifts is always exciting. Mix things up with Santa's Elves and Christmas Carol, give away all of your Gold Rings, and try not to get stuck with the Fruitcake. Secret Santa is a festive card game of proving to friends and family that you're a better person than they are.
