And once again I Minecraft!1 of 1 people found the following review helpful. Not a bad Beginners GuideBy InfoHoundNicely written, but it's pretty much all common knowledge, easily accessible through a Google Search. But if you want the basics, decently described, this is not a bad book to start with, but just for the beginners.0 of 0 people found the following review helpful. Could be much betterBy Jan WuzelerI am sorry but this book does not work out for me and my children. I decided to purchase the book after reading the description as I thought it will be useful to them. After going through the book,we think that there is not much useful information in it. Many of the "secrets" are available online so we did not learn much from here.
