Vickie Hodge Holt : Secrets of Ventriloquism before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets of Ventriloquism:

If you want to learn ventriloquism this is the perfect book for you. Learn from a full-time ventriloquist. Steve Holt began learning monthly lessons through the mail at age five. While living in an orphanage in Georgia, Holt was teased

and bullied for 'playing with dolls'. Other children laughed at him until he began performing shows and winning trophies in talent contests. Learn ventriloquism from Holt's experience.
