Marten Jensen : Secrets Of Winning Roulette before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets Of Winning Roulette:

2 of 2 people found the following review helpful. pretty good bookBy Nick Diannithis author is very good for novices of casino gambling. he explains all of the rules and terminology in a thorough and clear manner - and this book is no exception. he also very possibly gives insight on how to do well at roulette - provided you have the time and patience to take his advice!0 of 0 people found the following review helpful. secrets of winning rouletteBy lvgphdthe book

arrived on time and it was exactly as advertised. It contained a lot of useful information that has helped me understand the game much better. With a little practice I will begin implementing the strategies. 0 of 0 people found the following review helpful. great read By Paulit was a great it shows alot when getting ready for vegas I wish I had the book a few years ago.....

This is a money book: Roulette players not only learn all the basics of play, but the very advanced strategies that give them a mathematical edge over the casino. Packed solid, cover to cover, with hard-hitting and controversial information, this book is not only fascinating to read, but presents every effective method of exploiting or manipulating the game of roulette, whether by the player or the house, whether easy or difficult, whether legal or not. This book is a valuable resource for learning the numerous techniques and systems that have been used by professionals who consistently overcome the casino advantage. Readers learn about biased wheels, betting systems, ball control, visual tracking, and the honest secrets for becoming a professional player. Includes the basics of play and the odds and payoffs of every bet.

About the Author Marten Jensen, the Doctor of Gambling, is one of the foremost authorities of gambling in the world. An expert on all the casino games, Jensen is also the author of six books on beating the casinos, all published by Cardoza Publishing.
