The piano notes are the equivalent listening to a midi version instead of a CD By Ruth Princess I'm not a very good piano player but this was simplified so much that it doesn't match the music. I must have listened to the CD 20 times sitting at the piano trying to hear any instrument that was playing what was written. It wasn't there!!! I got so frustrated that I searched for the Original Conductor's Score, found it and was completely satisfied. If you are looking for music for taking piano lessons or just want the lyrics and the melody for singing, than this is OK. But if you want to PLAY the music than this is greatly disappointing. I couldn't give it less

than 3 stars because original music deserves more than 5 stars and averaging it with the crap in the base clef and the tab type version of the treble clef is only one star. Search the Internet for the conductor's score in pdf version instead. You can then play the music on the piano or other instruments. 12 of 13 people found the following review helpful. Complete list of songs in this book By McQ Here is a complete list of the songs in this book. (The list in the Editor's Notes section isn't accurate and doesn't include a song that was added later.) Merano Where I Want to Be Quartet (A Model of Decorum and Tranquillity) The American and Florence/Nobody's Side Chess Mountain Duet Embassy Lament Anthem Bangkok/One Night in Bangkok Heaven Help My Heart I Know Him So Well Pity the Child You and I Someone Else's Story (This was in the version I bought from in March 2010. According to the other reviews it wasn't included in an earlier printing.) 0 of 0 people found the following review helpful. Pretty true to the album music. By Some1inKC Some of the songs didn't quite feel right and some of the music is quite difficult but overall this music book for piano is a pretty good interpretation of the orchestral arrangements. It includes all the popular songs from Chess.

(Vocal Selections). 15 selections from the Broadway musical featuring songs written by Tim Rice and the two "B"s from Scandinavian supergroup ABBA: Benny Andersson and Bjorn Ulvaeus. Includes: Anthem * Chess * Heaven Help My Heart * Merano * One Night in Bangkok * Someone Else's Story * more.
