Vincent Bergerat, Marina Berio, Jenelle Covino : Sensation before purchasing it in order to gage whether or not it would be worth my time, and all praised Sensation:

Following the success of Strip, Paradise and Desire, here is the latest book in a series: Sensation. A reflection of urges, this book of images is a hymn to well-being and contemporary beauty. It suggests a detachment from pragmatic material matters and a subsequent ability to float, to imagine, to live in one's head. Here are over 100 photographic visualizations of sensation by more than 60 photographers from 20 countries around the world. Witness a new generation of artists like Marina Berio, Vincent Bergerat, Amanda de Cadenet, Elinor Carucci, Jenelle Covino, Sarah Darpli, Erwan Frotin, Katy Grannan, Jenelle Covino, Veronique Hoegger, Hellin Kay, Yuki Kimura, Janne Lehtinen, Bianca Pilet, Paul Quinn, Henry Roy, Hanna Sahar, Schaub Stierli Takay, Joel Tettamanti, Isabelle Waternaux, Terri

Weifenbach and many, many more.
