Joanna Saltz, Seventeen Magazine : Seventeen's Guide to Your Perfect Prom: A Planner Scrapbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Seventeen's Guide to Your Perfect Prom: A Planner Scrapbook:

Promwhen girls dream of dressing up like a princess and dancing with their Prince Charming. Its such an important event that Seventeen creates an annual special Prom issue. With this spiral-bound planner and scrapbook, prom-goers can take advantage of Seventeens wisdom and create a personal memory book, too. Attractively designed and superbly organized, it features dividers, folders for stashing memorabilia, stickers to flag important information, and a space in the cover to frame a personal prom photo. Fill-in sections include calendars for the months, weeks, and days leading up to prom and even a prom diary. Every detail is covered, from dating and budget advice to makeup and hairstyle ideas. And, of course, pages and pages dedicated to helping her find The Perfect Dress. Every chapter features celebrity and industry experts, quotes from Seventeen readers, hilarious stories, plus checklists and spots for her to paste in her photos, notes, and memorabilia. And, to keep prom night safe, theres advice on issues such as drinking

and sex from the source she trusts most: Seventeen.
