Erika Zimmermann : Shadow Puppets for Children before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadow Puppets for Children:

UK, Floris Books, 1983. 1st English translation, soft cover, 61pp, book is in "As New" condition. A practical book showing the basics of shadow puppetry, one of the oldest forms of entertainment. As well as instructions for a simple theatre and puppets, the book describes many games suitable for parties. Two fairy tales, adapted for the shadow stage, show a creative application of this art.
