the Landscape: Celebrating Dance in Australia (Celebrating Dance in Asia and the Pacific):

This, the fourth book in the series 'Celebrating Dance in Asia and the Pacific', explores the current dance scene in Australia from a wide perspective that mirrors the creative engagement of artists with Australian culture and the landscape. The comprehensive essays recount immigrant influences, the legacy of the Ballets Russes and Bodenwieser companies, dance on stage and screen, education and training and the story of Ausdance the unique nation-wide voice and political advocacy organisation for dance.
