Anna Cortez, Kelly Spencer : Shelbert Goes To Summer Camp before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shelbert Goes To Summer Camp:

It's a fun-filled summer camp adventure with Shelbert and his friends! Will Shelbert find true love with Suzy? Is there really a ghost haunting the Dark Reef? Will the campers be able to save Miss Shelly after she disappears? Join them as they learn about true friendship, problem solving, and caring for others. Shelbert Goes to Summer Camp is a coloring-book companion to the regular series of puppet shows presented by the staff of the Dr. J. Gilbert Leal Learning Resource Center at Texas State Technical College in Harlingen, Texas.

About the Author Anna Cortez is Coordinator of Library Resources for the Learning Resource Center at Texas State

Technical College in Harlingen. Anna began writing puppet shows while working as a children's assistant at the Harlingen Public Library and continues to do so at TSTC. Before the shows are performed, she always gets approval from her biggest critic, her six-year-old daughter Angelina. Kelly Spencer grew up in Corpus Christi, Texas, where she graduated from Richard King High School. It was her dad that first showed her how to draw, and thus began her passion for art. In 2005, she moved to Waco, Texas, to study Advertising Design and Print Technology (ADP).
