Veera Raghavathis book by reema keswani is truly memorable: it highlights both ambaji shinde's evocative genius and harry winston's business brilliance and dedication to perfection: more than anything,it's an opulent ode to the mystique that a woman is.....thank you very much!11 of 13 people found the following review helpful. Shinde jewelsBy SJTA pretty production but lacking depth on a great designer who's life is intertwined with one of the great jewelers.Slightly disappointing

Based on three years of intimate conversations with A. V. Shinde and featuring previously unpublished photographs

and designs, Shinde Jewels offers an insider's account of the creation of the world's most famous diamonds.

**About the Author** Reema Keswani is a graduate of the Gemological Institute of America with degrees in both gemology and jewelry design. She has worked in the jewelry department at Christie's Auction House and is the founder and designer for Golconda, a jewelry firm based in New York City. Keswani is A.V. Shinde's authorized biographer.
