Awesome And Amazing Shirley Temple PriceGuide !!By Annmarie OrłowskiAwesome and amazing! Need I say more! This book is fabulous as was Volume One! The pictures are incredible and the information is extremely helpful. This author did a fantastic job creating this price guide for all the Shirley fans in the world who just can't get enough! It has been quite a while since an author has done a new Shirley price guide and it was much needed. But this Author's version was much different than the other price guides as it shows everything and

anything that is out there...old and new! Shows us Shirley fans that there is still a high demand for our loved Shirley and her memorabilia. Highly recommend! You can tell that the book is written from the authors heart, and I think that is what makes this so special. The pictures are absolutely beautiful. I would buy another book of this type if another one comes available because of the incredible talent the author has in explaining exactly what these dolls are actually worth and the absolute love Mrs. Mancuso apparently has for the dolls...
