My wife has more shoes than one can count and like most women, I am told, she needs more. Her passion in life is keeping her shoe calendar current and explaining to me why, or why not, "that particular shoe is....." The Shoes Page-A-Day Gellery Calendar is a MUST HAVE if you have that passion to keep your wife, girl-friend, significant other, or casual lady friend happy. And if you happen to be one of those - well, get this product and expand your pleasures in life. Highly Recommended.0 of 0 people found the following review helpful. A Must Have for Shoe LoversBy Crystal SeasonI got this calender for my best friend for Christmas. I love shoes, what girl doesn't, but she is a HUGE shoe fan. She loves it and everyday she gets excited to change the page to see whats next! I highly recommend this for any woman who loves Fashion!! It's colorful, bright, great quality pictures, and even tells a little history on some of the more 'artisy' shoes..... Ladies, its a must have in any office!0 of 0 people found the following review helpful. shoe collector shoes -page-a-day galleryBy JuliaAfter not being able to purchasr this Daily shoes page a day for 2011 ,I went to computer ,since I am a collectable shoe person ,the page a day
