I love this, and if I don't like the shoe, I just use a few of my fav's from previous year, and cut the date and then I am never seeing a a unattractive shoe of the day! I highly recommend it, as I don't change often. 3 of 3 people found the following review helpful. Love it! By MJR If you or someone you know is a shoe lover, this is the perfect calendar! It has become an annual purchase for the past 9 years. It is very comprehensive, shoes from the 1800s to shoes from last year are shown. 1 of 1 people found the following review helpful. she loved it, I'm in the good books By Carlos Fandango! Bought it for my shoe obsessed other half ... she loved it, I'm in the good books, so I love it! If you have a shoe addiction I'm sure you'll love this. If your other half has a shoe addiction I'm sure they'll love this. If you have a shoe fetish, I've no doubt you'll love this ... and probably in more ways than one.
