I got on . Its a great way to have fun with a group, especially one with a mix of kids and adults. Perfect travel size, too. Not only are the games fun to play the book itself is fun to read. The instructions are entertaining and there are pages on the history of the cards and the cultural context in which they are played, rendered in a light, vivid style. All this and the price is fantastic. Just get it. You wont be disappointed. 3 of 3 people found the following review helpful. Sicilian card game By Customer Wonderful...so much fun for us who are italian 4 of 5 people found the following review helpful. The author could use a good editor for spelling, grammar, and clarity. That being said, we were able to understand everything and learn some new card games. I bought this and Sicilian cards for an Italian themed date night with my husband and we were able to learn new games and have fun with it. I asked my 12 year old son to read the instructions to Scopa and then teach me, so I could be more prepared for the evening with my husband. My son is used to all manner of strategy games (Puerto Rico, Agricola, Dominion, Through the Ages, etc.) as well as card and dice games, and he has an 11th grade reading comprehension level. All that to say I was a bit surprised when he told me he was confused by the instructions. So we sat down to read it together and starting with the history. It really isn't complicated, it is just that the editorial mistakes throw off the focus so you are left first making sure you understood what is meant, before being able to apply it.

'SICILIAN CARD GAMES an easy-to-follow guide' gives very clear instructions for twelve Sicilian card games, with photographic illustrations. It is the ONLY book of Sicilian card games in print worldwide. Sicily has its own unique deck of playing cards, and a wealth of games exclusive to the island. PACKS OF SICILIAN PLAYING CARDS CAN BE ORDERED ON AMAZON.COM Card games are central to festivities at Christmas, Easter and other family gatherings. Some games are hilarious, and simple enough to be enjoyed by young children yet a great way to make them practise mental arithmetic. Other games are quite challenging. Most village squares have a full-time squadron of old men who play outdoors, smacking their winning cards down like a butcher with a meat cleaver. The games in the book are: Buona sera Signorina, Cavalli, Cu cu!, Camicia, Asino, Sette e Mezzo, Trentuno, Centocinque, Brscula, Tresette, Terziglio, Scopa. SICILIAN CARD GAMES an easy-to-follow guide' includes an interesting explanation of the origins of Sicilian playing cards. This book makes an entertaining and economical gift for all ages.
