Most activities involve a lot of physical touch or interaction, which does not go well for my work team.0 of 0 people found the following review helpful. Proven tool for group therapyBy Gray M.Used the exercises as a basic part of an Outdoor Adventure therapy program at an Adolescent Alcohol and Drug Treatment Center. Was excellent at building group cohesion, and made explanation of theories of change and recovery come alive for clients.

These 160 plus activities provide effective, engaging ways to bring your middle and high school students together to build trust, break down artificial barriers, and encourage participation.
