FrazierThese puzzles are just challenging enough to make them fun.3 of 3 people found the following review helpful. Crossword Treasury #42By Lesley FunkThis crossword Treasury book had more puzzles of varying degrees of difficulty than the numbered book I usually get. The puzzles were all new to me although they are a collection from previous issues. I liked being able to tear out one page at a time and discard it when finished. I hope to find more treasury books on your website.

Simon Schuster has once again dipped into its famous puzzle archives and collected some of the best crosswords ever constructed.
