From Maleska, Eugene T. (EDT)/ Samson, John M. (EDT) : Simon and Schuster Super Crossword Puzzle Book #13: The Biggest and the Best (Simon and Schuster's Super Crossword Puzzle Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Simon and Schuster Super Crossword Puzzle Book #13: The Biggest and the Best (Simon and Schuster's Super Crossword Puzzle Books):

3 of 3 people found the following review helpful. Not the Biggest or the BestBy Russ A. This does give me something to do during down times, like sitting on an airplane or between TV shows, but I was a little bit disappointed in the quality of the puzzles. Few of them are particularly clever or witty. The book claims to have updated them, but it is obvious that most of these were written decades ago and are both dated and at times quite difficult due to cultural references (e.g. clues about movie stars, politicians) dating to the Cold War. Some clues have been modernized to ameliorate that problem. Most of them are daily size, too, not Sunday size like I expected. These are definitely not the biggest or the best. 3 of 3 people found the following review helpful. My Mom loves itBy GCMy Mom is a crossword junkie. In fact she loves any word game and beats everyone because her intelligence is over the top. That being said, I have gotten crossword books in the past that are too easy and also too hard (the NYT version) which results in boredom or frustration. This one sits right in the middle. It offers a challenge while not being simplistic. Can't finish one crossword? No problem, just move on to the next one and come back later on. She finds that changing it up like that helps clear her head and also keeps things moving so she doesn't get bored. 1 of 1 people found the following review helpful. I like tough puzzlesBy CustomerI like tough puzzles, so I decided to get this book, but if these are tough, deliver me from the easy ones. I guess I'm spoiled by the NY Times Sunday puzzles--my favorites--because these are not that much fun, and the themes, which are ballyhooed big-time at the top of the puzzle, are mostly pretty ordinary and obvious. I do like the perforated pages. I always tear out the page I'm working on, and that feature makes it easier.

A challenging collection of 225 classic crosswords from America's premier puzzle series. Here are 225 big and tough crosswords taken from out-of-print books in the famous Simon Schuster crossword puzzle series. Inside are tons of Sunday Times caliber wordplay just waiting to taunt and tantalize you. Originally edited by former New York Times crossword editor Eugene Maleska and his colleague John Samson, every puzzle in this book has been completely revised and updated. Super Crossword Book #13 is the ultimate challenge for the truly fearless crossword aficionado.

About the Author John M. Samson is an expert crossword puzzle constructor and editor. His crosswords have been published in leading magazines and newspapers across the country, including The New York Times. He lives in upstate New York.
