I get so much enjoyment from them. Well worth the price , even with the shipping. A nice mix of puzzles to work on. Every couple of years I come back to for these books. I generally buy two or three at a time. For upstairs and downstairs here at home, and I always have a couple at my beach house. Thank you .5 of 5 people found the following review helpful. This is one of the best collections I've tried. Will Shortz collections are also some of my favorites. I highly recommend both.8 of 8 people found the following review helpful. good seriesBy MrsTigger07I have been
