From Touchstone : Simon Schuster Mega Crossword Puzzle Book #14 before purchasing it in order to gage whether or not it would be worth my time, and all praised Simon Schuster Mega Crossword Puzzle Book #14:

40 of 41 people found the following review helpful. I absolutely love crossword puzzlesBy Charlotte L. WilcoxI absolutely love crossword puzzles, and the Simon Schuster books are the best. I like the fact that they are all "themed", they come in moderately easy to hard all in the same book. Some may take additional time to solve, but the thought process is great exercise for the brain. For anyone who enjoys puzzles, these books are a must.22 of 22 people found the following review helpful. Great puzzles!By RonGreat puzzles! Really like that pages are perforated and can be separated from the book!!10 of 10 people found the following review helpful. Pleasantly PuzzledBy Sara E.I have loved crosswords since I was in 9th grade and hopelessly bored in English class where, incidentally, we also got the LA Times delivered daily. I am no Sunday-er but I can get through Thursday in the LA Times with only a few trips to the crossword dictionary. New York Times? Thats another story. Mondays are even a bit too hard still.With that being

said, I find these puzzles to be adequately challenging while still being fun. I like that they vary in size and that they can be easily torn out to take with me. Also, the clues are fairly relevant with some pop culture references. This book will keep me puzzling for at least the year to come and I would definitely consider buying another edition to keep my brain sharp.

This classic crossword series returns for its ninetieth year with 300 never-before-published puzzles! Simon Schuster published the first-ever crossword puzzle book in 1924. Now, ninety years later, the tradition continues with a brand-new collection of 300 crosswords from expert puzzle constructor, John M. Samson. The Simon Schuster Mega Crossword Puzzle Book #14 is designed with convenience in mind and features perforated pages so you can tear out puzzles individually and work on them on-the-go. This new super-sized book will delight existing fans and challenge new puzzle enthusiasts as they discover this timeless and unique collection of entertainment.

About the Author John M. Samson is an expert crossword puzzle constructor and editor. His crosswords have been published in leading magazines and newspapers across the country, including The New York Times. He lives in upstate New York.
