From Brand: Touchstone : Simon Schuster Mega Crossword Puzzle Book #3 (Simon Schuster Mega Crossword Puzzle Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Simon Schuster Mega Crossword Puzzle Book #3 (Simon Schuster Mega Crossword Puzzle Books):

These are OK, but a challenge to balance on one's lap while noodling away on a puzzle; and I have this 'thing' about ripping up books - shades of Nazi book burnings, I guess. These newer, 350 puzzle books also seem to contain more "Who-dats" and "pretentious-French" for answers than EVER before. I just completed a puzzle the other day that had 30 persons' names for answers. Shameful for a crossword. If I wanted a

book full of names, I'd subscribe to "People" magazine. The editor must be snoozing at the job, just collecting a paycheck.0 of 0 people found the following review helpful. Not for me..By LJIt's hard for me to like this book when there are words that seem to be made-up, aren't in a hardcover college dictionary, or the clues are not clear, eg. squares that are 3 letters or a full word with no indication that this is the case. I think the authors of these puzzles take the easy way out or make up words. I haven't been able to find the word 'scry' anywhere. It's not fun, but is instead, frustrating when you don't post the rules of the clues. I can do without you.0 of 0 people found the following review helpful. OKBy MarleneLouiseGuess I am more of a novice at crossword puzzles but I enjoy them. This book's puzzles are older and the questions are not up-to-date questions. If you came from that time period, they will be great. I had a hard time answering from the beginning and had to resort to a lot of research.

Across or Down, The Best Crosswords Around! With 300 Brand-new Puzzles to Solve In 1924, Simon Schuster published its first title, The Cross Word Puzzle Book.
