**From Brand: Touchstone : Simon Schuster Mega Crossword Puzzle Book #5 (Simon Schuster Mega Crossword Puzzle Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Simon Schuster Mega Crossword Puzzle Book #5 (Simon Schuster Mega Crossword Puzzle Books):

First, you get three hundred puzzles for roughly three cents apiece, a real bargain. Second, the puzzles are printed on good paper stock that takes pencil marks a lot better than the glossy New York Times Sunday puzzles. Each page has a perforated inner edge, making it easy to remove the puzzle if, like me, you're one who prefers to tear out the pages and work the

puzzles on a clipboard. Third, there is a variety of puzzles, from moderately difficult 15 x 15 to harder 21 X 21 puzzles. All the puzzles have an overriding theme. And the constructors are by and large not those you run into with the New York Times puzzles, so you get their fresh perspectives. An easy recommendation.
