Many of the words are arcane at best, and some clues and answers defy logic. We have ordered the next book in the series and we will post a review later. If you are working these books in order, as we do, you would do well to skip this one.1 of 1 people found the following review helpful. Calling all crossword lovers!By JayStarrYou can't beat these crossword books. The puzzles get gradually harder as you progress

through the book. The pages are perforated, so you can tear out a puzzle (printed front and back) to take in your pocket or bag. Perfect for travel or waiting in line. Challenging enough, but not impossible. Recommended! 1 of 1 people found the following review helpful. These puzzles are bright, witty and the puzzles make ...By C. M. Hoffman These puzzles are bright, witty and the puzzles make me stretch for a slightly more difficult vocabulary. It is the right puzzle book at the right time.

A challenging collection of 225 vintage crosswords culled from America's premier puzzle series. These puzzles have been revised and updated to satisfy even the most sophisticated puzzle fans.
