Prettily Selling a NameBy Aceto"Simply Italian Classic Recipes from Harry's Bar in Venice" is a display book beautifully executed. Its stylish high gloss front and red back cover fold out in easel format to present its contents and recipes printed on smooth medium weight ivory card stock. Recipe pages are titled in matte gold print with beautifully photographed colored pictures, held together by a large black matte wire spiral binding. The format is tactile; begging to be touched and flipped through. Perfect for setting out on your granite kitchen or bar counter or restaurant matre d' station. It fits in a cardboard slip cover. Contents are: Introduction pages 2-3 Contents 4 The Bellini 6 Gli Antipasti 8-17 I Sandwich 19-23 Le Zuppe 25-38 La Pasta 40-57 I Ravioli 59-71 I Cannelloni 73-77 Gli Gnocchi 79-83 Il Riso 85-103 Il Pesce 105-119 Il Pollame 122-130 La Carne 133-150 La Verdura 152-164 Le Salse 166-175 Il Dolce 177-199 Care is dedicated to tips. Among Gli Antipasti a page is devoted to a description of the difference

between Parma and San Daniele hams; another page is given to identification, care and use of Parmigiano cheese. I am not sure how useful that is to you but it's a conversation piece. The recipes for the most part are simple, easy to execute and taste good. This is one of the rare times I might say, we are more likely to be concerned about blemishes, dents and scratches than we are about how well the recipe turns out. Harry's global brand includes over a dozen bar locations around the world along with named brand pastas, sauces, oils, kitchenware and cookbooks. Harry's Bar in Venice is a short walk from Piazza San Marco and the place to see and be seen. Its expensive but you are not really there for the food, tasty as it might be. "Simply Italian" is similar cachet. As a cookbook, there are better and more useful for taking shelf space and pleasing your family's gourmand. Pick your price point for presentation. As a display book, it is - pretty.
