Frank Longo : Sit Solve Pointer Crosswords (Sit Solve Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sit Solve Pointer Crosswords (Sit Solve Series):

What are pointer crosswords? They're puzzles where the clues are right in the gridnot alongsideand an arrow points to the spaces where solvers should write the answer. This popular style eliminates wasted time spent looking back and forth between the crossword and the clue list; everything's neatly in one place. Plus, the clues in pointers take up less space on the page, so there are more puzzles60 in all.
