Mike Selinker, Thomas Snyder : Sit Solve Tile Crosswords (Sit Solve Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sit Solve Tile Crosswords (Sit Solve Series):

About the Author Mike Selinker is a puzzle and game designer from Seattle. His puzzles appear in Wired, the Chicago Tribune, the New York Times, Games, and on a 10-foot-tall crossword wall in Seattle's Eltana restaurant. His games include Unspeakable Words, Risk Godstorm, AlphaBlitz, Pirates of the Spanish Main, and Lords of Vegas. He owns the company Lone Shark Games, and his PuzzleCraft series, of late codisigned with Thomas Snyder, has run in

Games since 2004. Thomas Snyder is a scientist developing new medical diagnostics for organ transplant management. In the world of puzzles, Thomas has won the US Puzzle Championship as well as the US and World Sudoku Championships. As a puzzle constructor, he specializes in handcrafting artistic logic puzzles, particularly sudoku. His website is gmpuzzles.com. This is the second book Selinker and Snyder have written together. Their first, also published by Sterling, was *Puzzlecraft: The Ultimate Guide on How to Construct Every Kind of Puzzle*.
