Edgar Degas (Illustrator) : Six Degas Ballet Dancers Cards (Dover Postcards) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Six Degas Ballet Dancers Cards (Dover Postcards):

All poster-putted to the wall next to my bed. As a professional dancer, a very inspiring thing to see when I'm rolling out of bed at 5:15 so I can be the first one at the studio and choose the best spot in the room. Six beautiful Degas dancers postcards for \$1.99. I'm pretty sure you can't make better use of \$2. The only thing that annoyed me at all was trimming the perforated edges, which took all of two minutes. Recommended to anyone who loves dance and/or impressionist expressionist art. 0 of 0 people found the

Renowned for his studies of ballerinas, both on stage and off, Degas excelled at capturing fleeting, transitory gestures. This collection features six of his most popular paintings of dancers: The Dance Examination, The Dance Class, Dancer in a Rose Dress, The Rehearsal, and two titled Four Dancers.
