The Truth or Dare game is a classic! Answer questions and perform dares and have the time of your life doing it!**DARES*** Make fart-sounds with your mouth, as loud as you can.* Allow the other participants of the game to use your cell phone for sending a text message to any person in your address book.* Pretend like you don't know the participant opposite you and try to pick him/her up.* Say a mean but true fact about every participant.**TRUTHS*** If you had the chance to ask absolutely anything and was guaranteed an honest answer, who, and what, would you ask? * If you could make a "one-hour sex-change", what would you do? * What's the bitchiest thing you've ever done? * How many have you had sex with?
